

God Sends a Great Flood

GENESIS 7:1 - 9:17

Today in class I learned what the Bible says about...

God Sends a Great Flood

Genesis 7:1 - 9:17

- After Noah completed the ark, God told him to enter it. God sent the rain and the floodwaters rose higher and higher. It rained for forty days and nights.
- After the rain stopped, Noah stayed in the ark for over a year while he waited for dry land to reappear.
- When Noah left the ark he made an altar to God. God was pleased and promised to never again destroy the earth by a flood.
- God made the rainbow to remind us of His promise.

QUESTIONS YOU CAN ASK ME

What does the Bible say:

- How long did it rain?
- What did Noah build when he left the ark?

What does it mean:

- When we see a rainbow, what promise should we remember?

What does it mean to me:

- If God keeps His promises, what should we do when we make a promise?
- When Noah left the ark, he made an altar and worshiped God. How do you worship God?

MY MEMORY VERSE

“The rainbow shall be in the cloud, and I will look on it to remember the everlasting covenant between God and every living creature of all flesh that is on the earth.” *Genesis 9:16*
